

### An Eton experience

Each year, poor students get a scholarship for the famous English boarding school Eton College. In this podcast, Penny Marshall invites scholars, regular students, teachers and researchers to talk about their experiences. Find out about the people's opinions on the scholarship programme starting with Simon Elliot.

You can listen to the audio file here:

- Listen to the speakers.
- While listening match the statements (A-F) to the speakers.
- Now read the statements. You have **one minute** to do this.

	Person (in chronological order)	Solution	Statements
1	Head Simon Elliot		<b>A</b> Eton prepares graduates for future challenges.
2	A student		<b>B</b> Applying for a scholarship requires a lot of effort.
3	Omar Jamil		<b>C</b> Scholarships will not promote general social equality.
4	Simon Henderson		<b>D</b> Scholars profit from Eton, and the other way round.
5	Abigail McKnight		<b>E</b> Eton offers clubs in numerous academic and scientific fields.  <b>F</b> There can be conflicts due to different financial backgrounds.

**In one minute you will hear the text again so you can check your answers.**
